FRESHMAN PREVIEWS 1, 2 AND

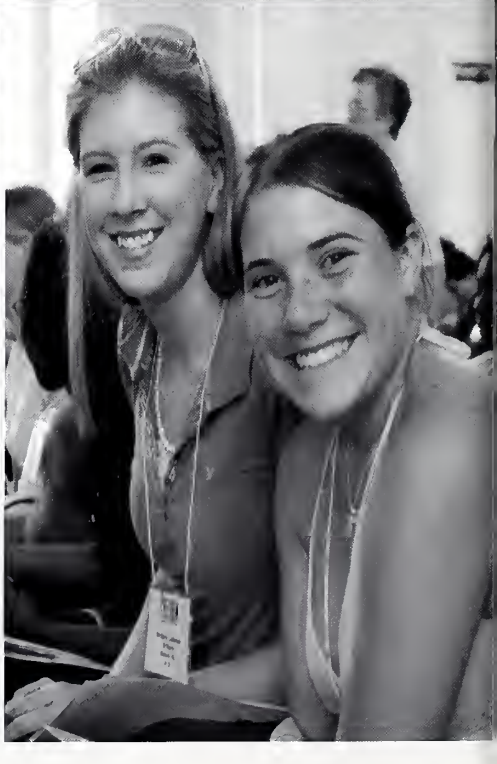

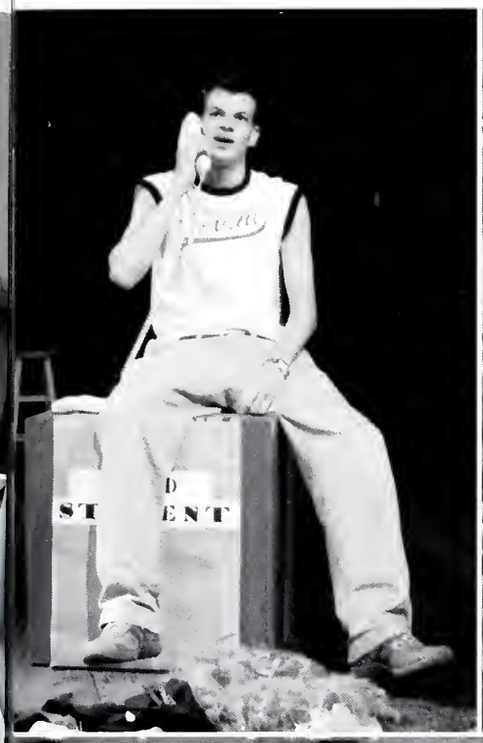

2.5- DENNIS CRASHED PREVIEW!

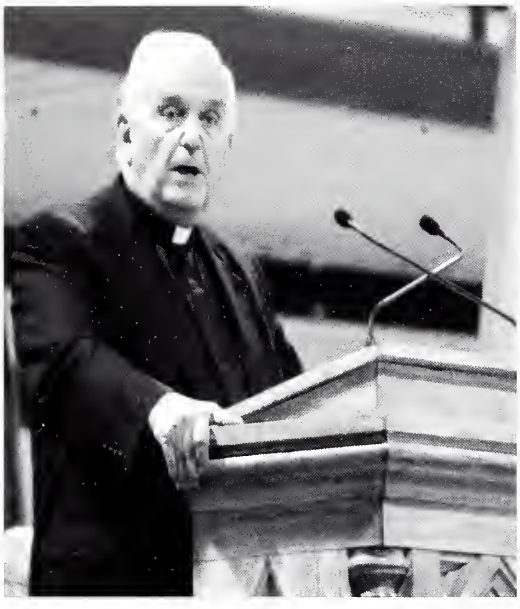

MOVE-IN AND CONVOCATION

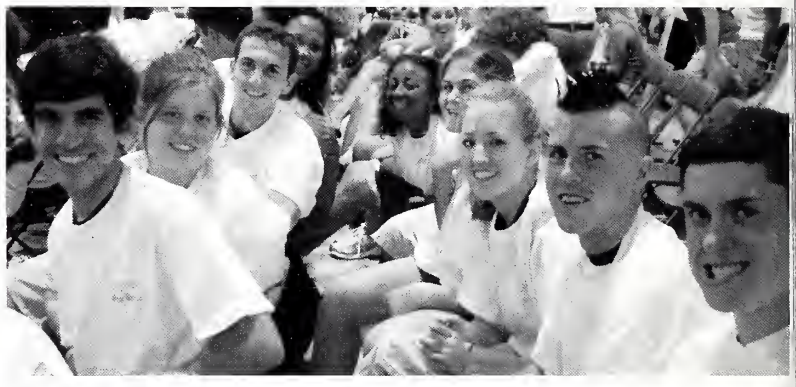

Orientation is where we get the very first taste of what college life is all about at the Hill...

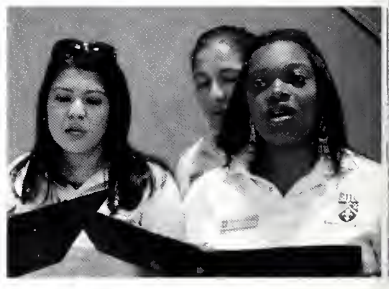

...Excited yet scared, curious, ready, but a little sad-- we embark on a new journey...

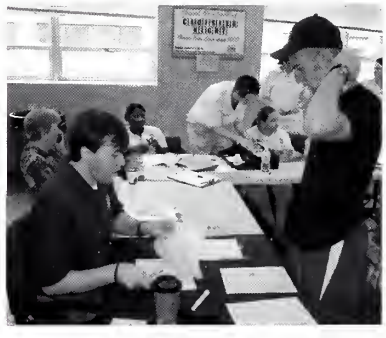

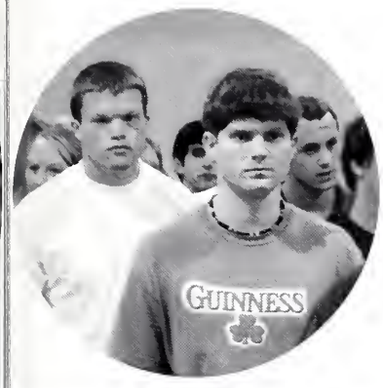

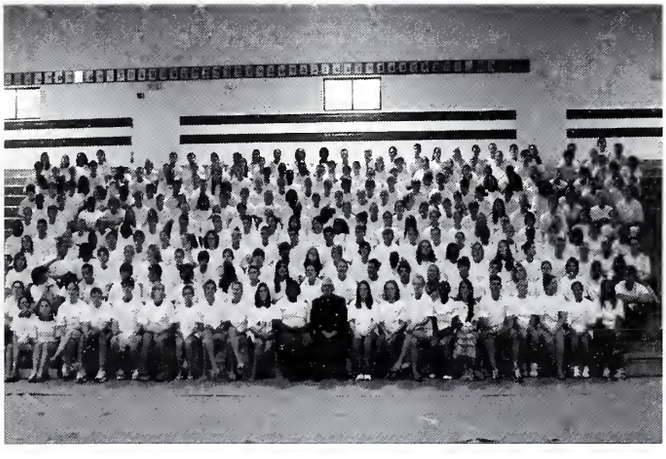

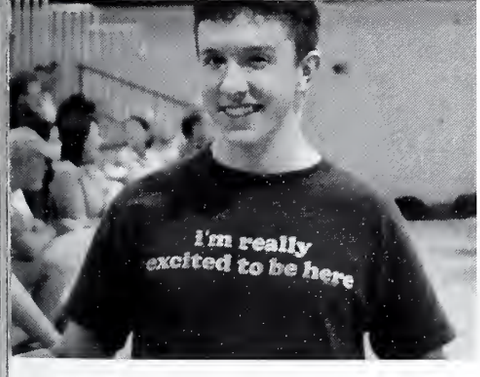

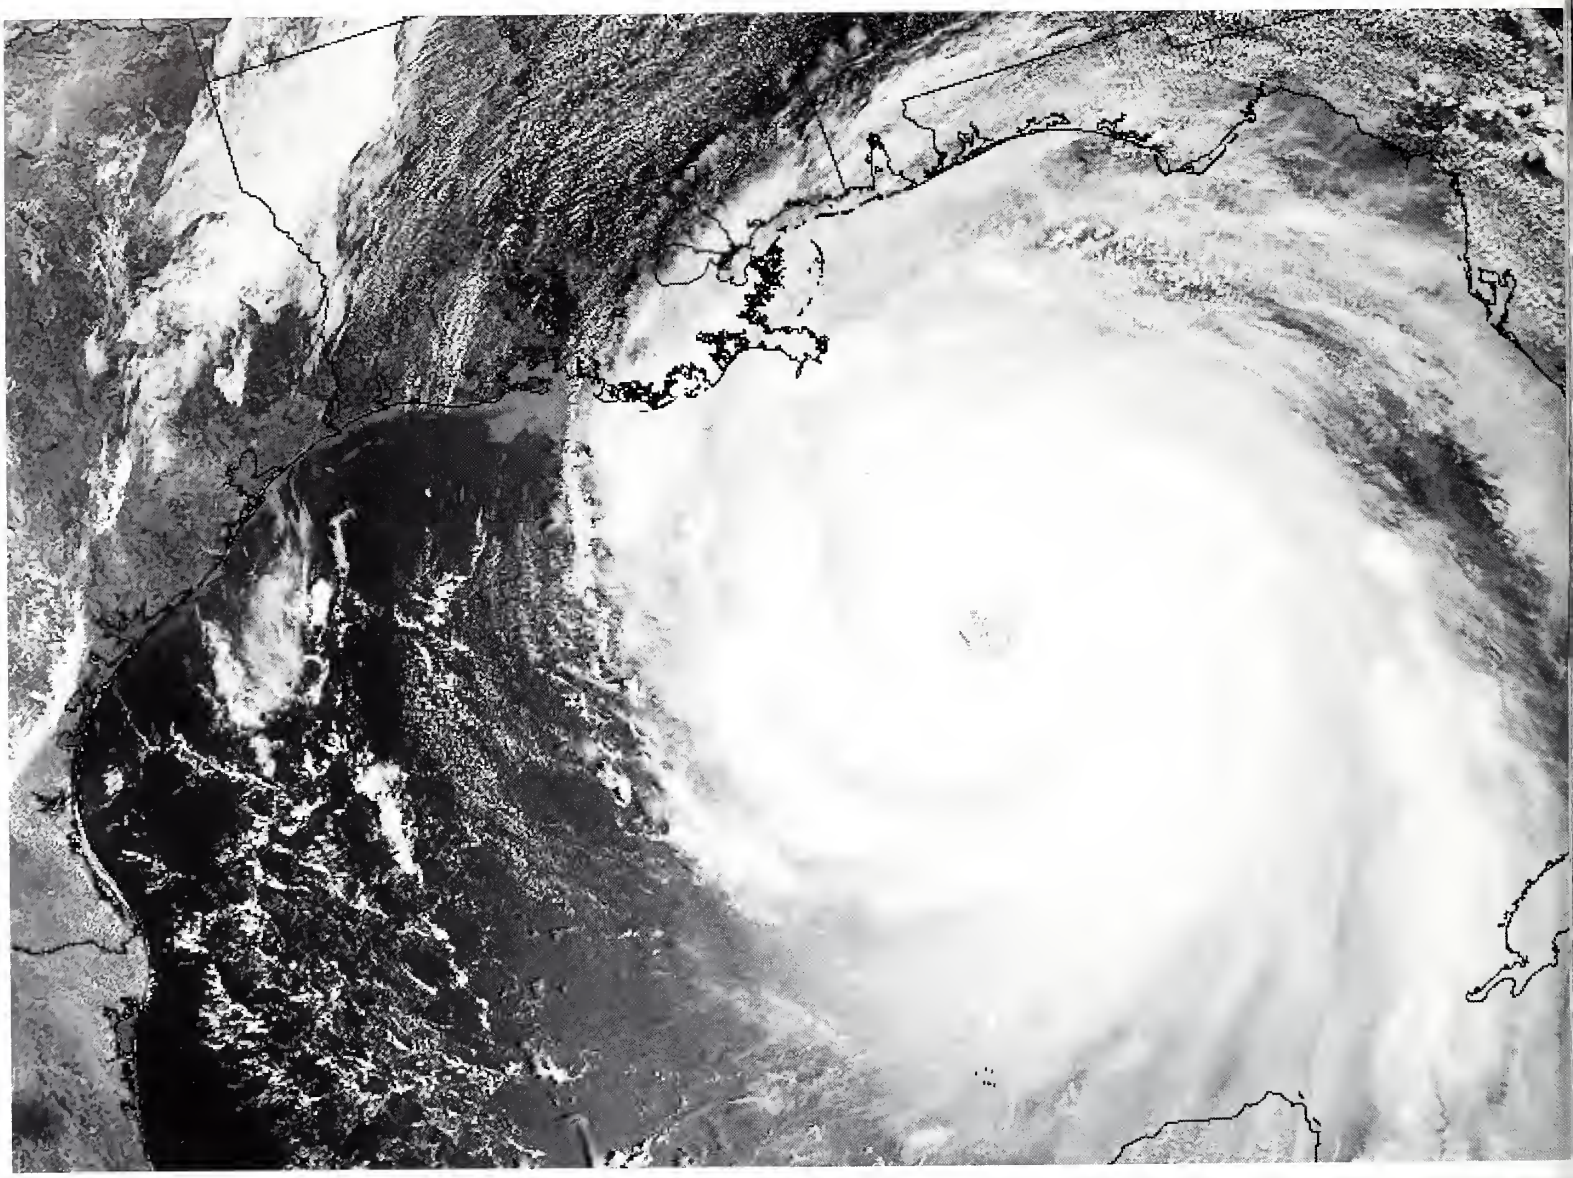

...A journey that will guide us in becoming people who are intellectually, spiritually, socially, and morally mature...

...And so we kiss our families goodbye, and stay on the Hill, unsure but determined to find a new niche, to grow into a new person, as we enter this new stage of our lives.

A fond Farewell!

Dr. Allin was a devoted chemistry teacher, and will be sorely missed by his fellow faculty and all of the students whose lives he touched,both in his classroom and in their real lives.

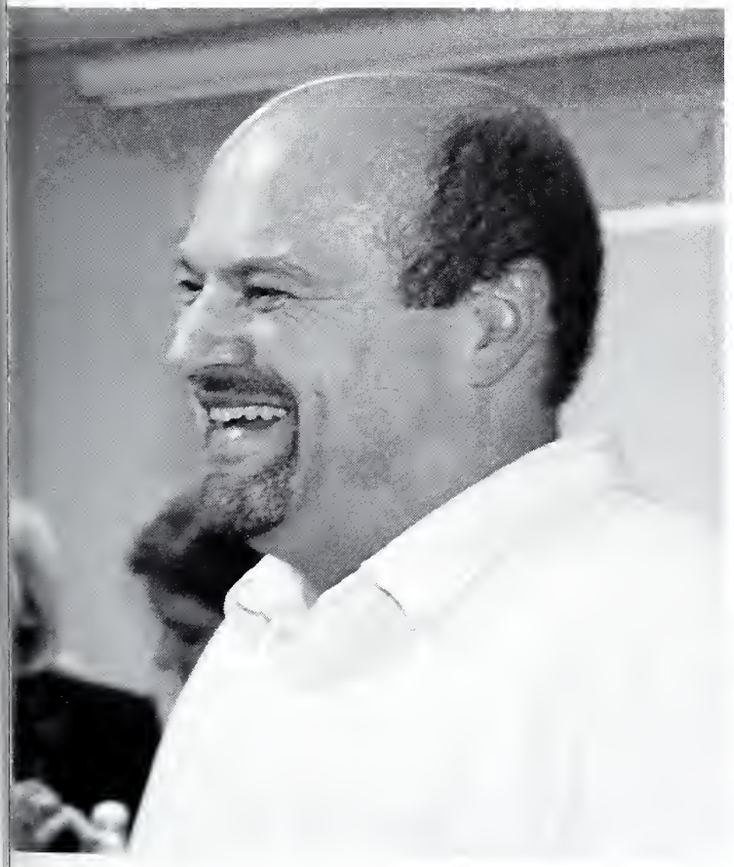

Dr. Entessar was the department chair of the Politcal Science department.

On the right page Top: Dean Gerl was the dean of Student Affairs.
